TPE pipe joint seals for non-pressure waste water and drainage - MATERIAL Teknor Apex Elastomers

STATEMENT BY KIWA

This product certificate is based on Guideline/BRL 2020-1 "TPE pipe joint seals for non-pressure waste water and drainage - MATERIAL" dated 25 October 2016, issued according to the Kiwa-Regulation for Certification.

The quality system and the product characteristics of this product are checked periodically. Based on this, **Kiwa declares that** there is legitimate confidence that:

Upon delivery, the product supplied by the certificate holder meets the requirements:

- Of the technical specifications laid down in this product certificate,
- The product requirements laid down both in this product certificate and in the Guideline/BRL.

Provided the product is accompanied by the KOMO® quality mark in the manner set out in this product certificate.

Ron Scheepers

TPE pipe joint seals for non-pressure waste water and drainage - MATERIAL

TECHNICAL SPECIFICATION

Product characteristics

The products as specified in the table below fulfil the requirements of BRL 2020-1 “TPE pipe joint seals for non-pressure waste water and drainage - MATERIALS”. BRL 2020-1 covers the material requirements of EN 681-2 “Elastomeric Seals-Material requirements for pipe joint seals used in water and drainage applications-Part 2: Thermoplastic Elastomers”.

Specification

Type TPE material	Nominal hardness in IRHD
TPE Sarlink 9156 B	60

MARKING

The products are marked with the KOMO®-mark.

The following marks and indications must be provided on each product and product packaging in a clear, legible and indelible way:

- KOMO logo (or KOMO® word mark) with certificate number.
- name of manufacturer or the deposited trade mark;
- the year of manufacturing and preferably the quarter;
- the type of TPE in a letter code according to the nomenclature used in ISO 18064; e.g. TPE-V;

TIPS FOR THE USER

Check on delivery of the products listed under the “technical specification” whether:

- The product(s) and material(s) ordered are delivered in accordance with the agreement you made.
- The brand and the method of marking is correct
- No defects or damage is visible (for example, resulting from the transportation).

If on the basis of the foregoing you decide to proceed to rejection, please contact

- Teknor Apex Elastomers

And if necessary,

- Kiwa Nederland B.V.
